

# CUT IT OUT NOW

Stop taking down my posters! I'm not touching yours! What are you afraid of, a level playing field?

Playing by the Rules

# LOUT-5AM

You might be getting paid to make YOUR posters, but I am not. Your advertising budget is still unknown (>\$1000). Mine is known (<\$100). I'm a grad student who does not want a union here. So keep your hands off my posters and play by the rules!

This poster was made by 5am Productions. No graduate students were harmed or charged 1.15% of their income to create this flier. Please do not take this down. If you want a copy, email [lout@drakos7.net](mailto:lout@drakos7.net)
